

# Passenger Safety & Rules

1. If you become physically ill, or if an accident such as theft occurs, please advise a crew member immediately.
2. Please follow staff instructions during disembarkation and in an emergency.

## 1. Do Not...

- touch any of the facilities on board that are used for the operation of the vessel
- enter any of the prohibited areas on board
- smoke within non-smoking areas on board
- touch or remove the fire extinguisher, emergency alarm devices, life jackets, or any other equipment used in the case of an emergency
- break or remove the safety signs on board
- throw rocks, glass, metal pieces or anything that may harm the boat or passengers
- throw any prohibited items overboard
- annoy or cause discomfort to other passengers and crew

2. Maintain the cleanliness of the boat and public moral standards at all times.
3. Always follow the safety instructions given by the Captain and crew members onboard.
4. Passengers that fail to obey the rules will be asked to disembark the vessel.
